19
APRIL

Conversation Series: Dealing with Disruption

Today, almost every industry, business and individual is being impacted by digital technologies. Join us for the next topic in our Conversation Series that will address how to get to high performance in the digital age. This is the foundation for high performing teams and businesses.

01
MAY

Philanthropy – Your Journey Begins Here

A 3-hour interactive workshop will provide you with practical tools and resources which can be used with your own family, family business and various stakeholders. Setting the scene with an overview of philanthropy in Australia.

15
MAY

Developing your family business strategy

This one day course explores how Strategic Planning in Family Business is unique. How do you plan for both the family and the business in parallel to harness the unique, strategic competitive advantage of being a family in business?

01
JUNE

FBA QLD Premier event for 2018

This high profile event will featuring special guest speakers Brooke Hanson, Billy Lee Long and Dimity Doran. Our speakers are visionaries within their own right and have been instrumental in developing new landscapes across many fields not only in Queensland but Australia.

13
JUNE

Conversation Series: Boards in the Family Business

A interactive conversation to focus on how successful family businesses create, use and revitalize their boards to ensure they continually act in the best interest of the business, build capability in their organisations and add real shareholder value.

20
JUNE

Planning Succession for Family Business

Succession should be a process, not an event. The most successful transitions can often take years to plan and implement. This course is designed for a family business at any stage - it is never too early to start thinking about your transition strategy.

20
JULY

ATO Compliance and asset protection -Are you exposed?

This session will highlight some of the changes to be aware of to ensure compliance with the ATO's current approach. In addition this session will address some of the best structures for asset protection of the business and some of the litigation pitfalls that can unwind a business without the right protection in place.

02
AUG

A evening with Ombudsman Kate Carnell

This intimate event will provide a platform for discussion on important issues affecting family business owners. Kate will also seek views from attendees on ways in which you believe the Ombudsman's Office could further support family businesses. This event provides you with a rare opportunity to speak directly with the Ombudsman.

09
SEPT

National Conference, Alice Springs (9-13 Sept)

An exciting 3 day program awaits, full of inspiration and motivation to ensure you have the tools you need to build stronger families and healthier businesses. This year we're harnessing the competitive advantage of family!

09
OCT

Chairman Lunch

The family business community in Australia is part of a group of incredibly successful people, from every type of business unified by the passion, warmth, challenges and complexities that is family business. Join us for a great insight from a prominent business owner over a networking lunch.

22
NOV

Celebrate '18

Together at our Celebrate 18 event we invite all members and the extended family business community to acknowledge and celebrate success. This is the perfect opportunity to share some of your own business accomplishments with family and friends and, to gain an insight into how FBA is supporting family business through our new initiatives.
