Implementing and Managing Change

Angie Paskevicius

2015 WA Telstra Business Woman of the Year

Thursday 30th June 2016

5:30pm - 7:30pm

events@hlbwa.com.au

HLB Mann Judd is honoured to have the 2015 WA Telstra Business Woman of the Year, Angie Paskevicius, at a special event to talk about “Implementing and Managing Change.”

As CEO and Director of alcohol and drug counselling organisation Holyoake, Angie has transformed the organisation from being reliant on Government funding to a local, national and international leader with independent funding streams.

At this event, Angie will cover:

- Key drivers, roadblocks, lessons learned and “essentials” of implementing change
- Communicating change and managing both internal and external perceptions
- Managing organisational change over the long term

 ***Great people, great results***
