Economic and investment update breakfast Wednesday, 18 November 2015

We are pleased to invite you to our November economic and investment update.

The **Global Economic Update** will be delivered by **Scott Haslem, Managing Director and Chief Economist for Australasia at UBS**. Scott was rated the number one institutional market economist from 2011–2014 in the Australian East Coles Equities Report. Scott heads the Australasian economics team, which continues to rank at the top of both equities and fixed income research polls. Prior to joining UBS, he spent seven years working for the Reserve Bank of Australia, primarily in the economic activity and forecasting section.

This will be followed by the **Financial Market Update and Portfolio Review** by **Kyle Lidbury, Head of Investment Research at Perpetual**. Kyle is responsible for Perpetual Private's investment offer. He leads a team of ten investment professionals whose responsibilities include management of the Select Multi-Manager products, implemented portfolios, model portfolios and sourcing unique and differentiated investment offerings to protect and grow clients' wealth.

We do hope you can join us!
