

## WORK ~~HARDER~~ SMARTER

Sustainability in the Emotional World of Family Business

FRIDAY 9 JUNE 2017 MODA EVENTS PORTSIDE

11.30am - 5.30pm

FBA QLD State Conference is back in 2017 with a new line-up of expert speakers addressing the needs of those in the front line of Family Business.

*FBA Where families in business connect, share and grow.*

11:30am Registration Open

12:00pm Conference Lunch - Key Note: Shane Webcke

*Shane Webcke, Born in to a battling farming family on Queensland's Darling Downs has never settled for near enough is good enough. As a successful sports star, loyal family man and successful businessman, he is a consummate team man, who realises better than anyone that there is no easy way to achieve success, his anecdotes and principles on life are truly inspirational. What Webcke gained as a youngster growing up he worked for, and he realised that if he was to make his way in the world as a successful rugby league player, he would have to continue down that road. Shane will share his success story on and off the field and his personal experience in the family farming business including the tragic loss of his dad. Webcke will inspire past, current and next generations on rolling up the sleeves smarter not harder.*

1:45pm Official Welcome

1:55pm Session 1: Emotional Intelligence

*Having a knack for recognising family strengths, reducing conflict and building lasting relationship are three beneficial qualities for a familybusiness leader. Leading and developing emotional intelligence in a family business can result in higherperformance, more productivity, cooperation and collaboration for family and non-family members. Learnwhat emotional intelligence is through an in-depth real study identifying how personal and professionalmatters in family business can become blurred, and managing emotions will lead to success.*

2:40pm Session 2: Disaster Management - what, when and how to manage

*No company or family can escape some crisis at one time or another, whether it is an unplanned event, occurrence or sequence of events – potentially it is around the corner or you have just recovered from one. FBA will enlighten you with a real life story and how the family business handed the situation. With any event hindsight is a great, so we will go through key learning's to start you thinking to plan and prepare now.*

3:25pm Tea and Coffee Break

3:40pm Session 3: Beyond boundaries

*As the Baby Boomers begin to retire close to \$3.6 trillion of wealth will be passed onto the next generation in Australia. Let FBA take you beyond the boundaries to see the big picture. Some are forgetting the ongoing success of the family business isn't the balance sheet but the family dynamic. It is about seeing the optimal potential in every person and team within the business. It's about how to get more done in your day, dedicating to working better and enhancing workplace performance.*

4:25pm Session 4: Cutting through the Red Tape

*Has the government really reduced the red tape and regulation burden that is strangling business. Join us through a journey with business expert so organisations can minimise bureaucratic procedural delays and untap government funding opportunities. Imagine having an extra hour or two every week that you could devote to your business or family, or extra funds for innovation within the business.*
